Do you have what it takes to
Propel your research, gain new insights and bring concepts to life?

If you have a DoD-issued Common Access Card (CAC), Personal Identity Verification (PIV) card, or an External Certificate Authority (ECA), you have what it takes to access DTIC's R&E Gateway—the premier site of choice for research pioneers and trailblazers from the Department of Defense (DoD), other federal agencies and industry who want secured, authoritative and on-demand retrieval of:

- Over 4 million technical reports and documents
- Ongoing DoD research projects
- Convenient 24x7 virtual workspace for networking, discussions, and project collaboration
- Insights on funding priorities for planned research
- First-ever, DoD-published R&E journal of peer-reviewed, controlled unclassified and classified research results
