

Affirmative Action Plan for the Recruitment, Hiring, Advancement, and Retention of Persons with Disabilities

To capture agencies' affirmative action plan for persons with disabilities (PWD) and persons with targeted disabilities (PWTD), EEOC regulations (29 C.F.R. § 1614.203(e)) and MD-715 require agencies to describe how their affirmative action plan will improve the recruitment, hiring, advancement, and retention of applicants and employees with disabilities.

Section I: Efforts to Reach Regulatory Goals

EEOC regulations (29 CFR §1614.203(d)(7)) require agencies to establish specific numerical goals for increasing the participation of persons with disabilities and persons with targeted disabilities in the federal government

1. Using the goal of 12% as the benchmark, does your agency have a trigger involving PWD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- | | |
|--------------------------------|-----------|
| a. Cluster GS-1 to GS-10 (PWD) | Answer No |
| b. Cluster GS-11 to SES (PWD) | Answer No |

In FY22, PWDs were well represented for the GS-1 to GS-10 cluster (4, 21.05%); PWD participation rates increased from FY21 (3, 14.29%) by 6.76% (1). PWDs were well represented for the GS-11 to SES cluster (27, 18.75%). Although the number of employees declined by 2, the PWD participation rates slightly increased as compared to FY21 (29, 17.68%).

*For GS employees, please use two clusters: GS-1 to GS-10 and GS-11 to SES, as set forth in 29 C.F.R. § 1614.203(d)(7). For all other pay plans, please use the approximate grade clusters that are above or below GS-11 Step 1 in the Washington, DC metropolitan region.

2. Using the goal of 2% as the benchmark, does your agency have a trigger involving PWTD by grade level cluster in the permanent workforce? If "yes", describe the trigger(s) in the text box.

- | | |
|---------------------------------|------------|
| a. Cluster GS-1 to GS-10 (PWTD) | Answer Yes |
| b. Cluster GS-11 to SES (PWTD) | Answer No |

In FY22, PWTD participation rates were not represented for the GS-01 to GS-10 cluster; this is a decline from FY21 (6, 28.57%). In FY22, PWTD participation rates were well represented at 4.17% (6). Although the number of employees remained the same as compared to FY21 (6, 3.66%), FY22 saw an increase in the participation rate by 0.51%.

DO-S communicated the numerical goals to the DTIC Administrator when conducting the annual EEO program status report briefing. DTIC continues to implement its procedure of having all hiring officials review their Schedule A applicants for vacancies prior to announcement.

Section II: Model Disability Program

Pursuant to 29 C.F.R. § 1614.203(d)(1), agencies must ensure sufficient staff, training and resources to recruit and hire persons with disabilities and persons with targeted disabilities, administer the reasonable accommodation program and special emphasis program, and oversee any other disability hiring and advancement program the agency has in place.

In addition, the DLA Enterprise EEO office, Affirmative Employment and Diversity Division host regular meetings to discuss RA issues. The meetings also give an opportunity to receive updates to disability-related issues, discuss challenges and share best practices.

B. PLAN TO ENSURE SUFFICIENT FUNDING FOR THE DISABILITY PROGRAM

Section III: Program Deficiencies In The Disability Program

Section IV: Plan to Recruit and Hire Individuals with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(i) and (ii), agencies must establish a plan to increase the recruitment and hiring of individuals with disabilities. The questions below are designed to identify outcomes of the agency's recruitment program plan for PWD and PWTD

A. PLAN TO IDENTIFY JOB APPLICATIONS WITH DISABILITIES

1. Describe the programs and resources the agency uses to identify job applicants with disabilities, including individuals with targeted disabilities.

The Agency continues its use of Schedule A and Veterans appointing authorities to hire PWDs and PWTDs. In addition to the available mechanisms to hire, DTIC uses the WRP for College Students with Disabilities to hire persons for 14 weeks of experience with the agency. This program provides the opportunity for both students and DTIC to assess skills, capability, and desire to work for the Agency. At the end of the 14 weeks, the Agency has the opportunity to hire a student on its rolls. DO-S does not administer WRP for DTIC. The WRP is managed by DTIC's servicing human resources office, which is the Defense Finance and Accounting Service (DFAS).

2. Pursuant to 29 C.F.R. §1614.203(a)(3), describe the agency's use of hiring authorities that take disability into account (e.g., Schedule A) to recruit PWD and PWTD for positions in the permanent workforce

DTIC continues its use of Schedule A (5 CFR 213.3102 (u)) to hire persons with intellectual, severely physical, and psychiatric disabilities. Persons eligible for such appointment must apply against specific job announcements and submit required documentation. Unsolicited resumes that are not for specific job opportunity announcements are not accepted. DTIC also utilized Veteran's Preference appointments to hire veterans with disabilities. DTIC vacancy announcements on USAJOBS are nearly always open to Veterans eligible for Veterans Recruitment Appointment, GS-11 and below, 30% Disabled Veteran (no grade limitation); and Veterans Employment Opportunity Act (VEOA), competitive with no grade limitation.

3. When individuals apply for a position under a hiring authority that takes disability into account (e.g., Schedule A), explain how the agency (1) determines if the individual is eligible for appointment under such authority; and, (2) forwards the individual's application to the relevant hiring officials with an explanation of how and when the individual may be appointed.

Individuals eligible for Schedule A or Veterans appointing authorities must apply for specific vacancies. They are encouraged to apply via USAJOBS. Candidates must submit the proper documents to substantiate their Schedule A or Veterans appointment eligibility. Depending on the appointment authority, documentation is a letter from a physician or care provider certifying their hiring eligibility, a DD Form 214, Military Discharge Paperwork, and letter from the Department of Veterans' Affairs or military branch of service certifying their overall service-connected disability. DFAS HR reviews the documentation to determine eligibility. Hiring managers may coordinate with HR when desiring to utilize Schedule A or Veterans appointing authorities to hire. They are to provide HR with the candidate's resume, Schedule A letter and veterans documentation if applicable. HR also refers qualified applicants to hiring managers based on their identified appointing authority (e.g., Schedule A, 30% or more disabled veteran, or both).

4. Has the agency provided training to all hiring managers on the use of hiring authorities that take disability into account (e.g., Schedule A)? If "yes", describe the type(s) of training and frequency. If "no", describe the agency's plan to provide this training.

Answer Yes

DTIC educates its hiring managers on Schedule A hiring at the time a vacancy is identified. DO-S also educates all supervisors on hiring authorities during EEO training for managers and supervisors. A total of 144 employees and 26 supervisors and managers of DTIC’s workforce received EEO and prevention of harassment training.

B. PLAN TO ESTABLISH CONTACTS WITH DISABILITY EMPLOYMENT ORGANIZATIONS

Describe the agency’s efforts to establish and maintain contacts with organizations that assist PWD, including PWTD, in securing and maintaining employment.

DO-S will connect DTIC with the Fort Belvoir Soldiers for Life – Transition Assistance Program Office to increase its outreach footprint to soldiers who are planning to retire and current veterans. DO-S has an informal partnership that has led to increased awareness of the participation in SFL-TAP outreach events for the purpose of increasing awareness of DLA. DO-S and DTIC can partner to do the same for DTIC. DO-S partnered with DLA HR for participation in an Operations Warfighter (OWF) Outreach/ Recruitment event. DTIC HR liaison staff member was in attendance promoting DTIC to attendees. DTIC regularly participates in Operation Warfighter Outreach events and has had several OWF interns, several are now full-time DTIC civilians. DO-S can ensure DTIC awareness of the OWF events. DO-S attended a Wounded Warrior Career Fair. Feedback received on this event, indicated it was a good investment of manpower and resources. As this was the first time that DO-S attended the outreach events for SFL-TAP, OWF, and Wounded Warrior an assessment was made concerning the Return on Investment on loss of manpower and resources. DO-S determined that these events effectively serve the purpose of outreach – publicizing DLA to attendees and will recommend them to DTIC for their participation as well. DO-S works with the Computer/Electronic Accommodations Program to assist PW(T)D with maintaining successful employment through the attainment of equipment that will make it possible and/or easier to successfully execute the duties of the job.

Section V: Plan to Ensure Advancement Opportunities for Employees with Disabilities

Pursuant to 29 C.F.R. §1614.203(d)(1)(iii), agencies are required to provide sufficient advancement opportunities for employees with disabilities. Such activities might include specialized training and mentoring programs, career development opportunities, awards programs, promotions, and similar programs that address advancement. In this section, agencies should identify, and provide data on programs designed to ensure advancement opportunities for employees with disabilities.

DTIC informs all employees, including Persons with Disabilities and Persons with Targeted Disabilities, of all DTIC job opportunity announcements (JOAs) posted to USAJOBS. DTIC’s HR servicing is provided by DFAS. DFAS sends the DTIC Resource Management Directorate (DTIC-R) the USAJOBS web-link for the JOA. DTIC-R then emails its workforce to provide the position, title, series, grade, duties, geographic location of the position; and the JOA’s opening and closing dates, area of consideration for applicants, and the specific USAJOBS link for the vacancy. The emails are sent the day the vacancy announcements are open. Personnel are directed to the HR Customer Care Center contact identified on the announcements.

DTIC also issues internal vacancy announcements to fill positions using members of its current workforce. Many times, internal vacancy announcements are filled through reassignments. DTIC does not have a formal detail program. However, DTIC does encourage its workforce to seek out detail assignments by having discussions with managers of programs or directorate of interest. DTIC also offers temporary fill/promotion opportunities allow for its employees while vacant positions exist and are going through the 'fill' process. Details, rotations, and temporary fill/promotion opportunities allows the employee to assess their interest in a specific career field and/or new level of responsibility and allow management and DTIC Administrator to determine, before permanently filling the position, if an employee(s) is a good fit for a position. DTIC also has a centrally funded training program. Monies are set aside annual to conduct agency-wide training. The training is not necessarily function-driven, or section focused. However, if a supervisor sees training that is specific for their area or the career fields of their employees, they ensure employees in that area or career field attends. The training is open to the DTIC workforce. Sample training sessions addressed: enhancing leadership and computer skills; developing results-driven resumes; and increasing awareness about retirement/Thrift Savings Plan. Section VI: Plan to Improve Retention of Persons with Disabilities

disabilities; (2) describe efforts to ensure accessibility of technology and facilities; and (3) provide information on the reasonable accommodation program and workplace assistance services.

B. ACCESSIBILITY OF TECHNOLOGY AND FACILITIES

Pursuant to 29 CFR §1614.203(d)(4), federal agencies are required to inform applicants and employees of their rights under Section 508 of the Rehabilitation Act of 1973 (29 U.S.C. § 794(b), concerning the accessibility of agency technology, and the Architectural Barriers Act of 1968 (42 U.S.C. § 4151-4157), concerning the accessibility of agency facilities. In addition, agencies are required to inform individuals where to file complaints if other agencies are responsible for a violation.

1. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under Section 508 of the Rehabilitation Act, including a description of how to file a complaint.

The DTIC website is <https://discover.dtic.mil>. Information pertaining to website accessibility can be found at <https://discover.dtic.mil/accessibility-section-508/>

2. Please provide the internet address on the agency's public website for its notice explaining employees' and applicants' rights under the Architectural Barriers Act, including a description of how to file a complaint.

The DLA website is provided because DLA is the lead tenant for the McNamara Complex, the facility where DTIC is co-located. All physical accessibility issues pertaining to DTIC employees is addressed with DLA. The Architectural Barriers Act information is found at <https://www.dla.mil/EEO/Business/Architectural-Barriers-Act/>.

3. Describe any programs, policies, or practices that the agency has undertaken, or plans on undertaking over the next fiscal year, designed to improve accessibility of agency facilities and/or technology.

As DLA is the lead tenant for the McNamara Complex, DTIC is subject to the facility policies, programs, or practices as outlined by DLA. Facilities: DLA HQs continues to provide architectural updates to its facility, when possible, to make it more compliant. In the meantime, DO-S continues to address reasonable accommodations requests submitted by DTIC employees. A request involving an architectural barrier often triggers the need for DLA Installation Management to become involved due to the possible need for architectural updates for PW(T)Ds. DO-S will raise DTIC's concern of the exit route for individuals with disabilities during emergencies. Some DTIC employees and their co-workers who assist them, are challenged with leaving the facility during emergencies, as noted during emergency evacuation drills. Technology: The DTIC website, <https://discover.dtic.mil/>, includes several features designed to improve accessibility for users with disabilities. One of these features is images on the website containing "alt tags", which aid users who listen to the content of the website by using a screen reader, rather than reading the website. Also, users can get information regarding the accessibility of Adobe Portable Document Format (PDF) files from the Access Adobe website. To improve the accessibility of <https://discover.dtic.mil/>, DTIC reviewed the website's accessibility with outside web tools. The Web Team also welcomes comments on how to improve the website's accessibility for users with disabilities.

C. REASONABLE ACCOMMODATION PROGRAM

Pursuant to 29 C.F.R. § 1614.203(d)(3), agencies must adopt, post on their public website, and make available to all job applicants and employees, reasonable accommodation procedures.

1. Please provide the average time frame for processing initial requests for reasonable accommodations during the reporting period. (Please do not include previously approved requests with repetitive accommodations, such as interpreting services.)

In FY22, the average timeframe for processing RA requests was 35 days, an increase in processing time as compared to FY21 (22 days) by 13 days.

2. Describe the effectiveness of the policies, procedures, or practices to implement the agency's reasonable accommodation program. Some examples of an effective program include timely processing requests, timely providing approved accommodations, conducting training for managers and supervisors, and monitoring accommodation requests for trends.

During FY22, DO-S provided substantial assistance and subject matter expertise to employees of DTIC. In the area of RA, DO-S conducted numerous counseling sessions with management and employees regarding RA processes and disability concerns; processed RA requests and contacts/inquiries; trained DTIC employees and managers on the RA process; and partnered with DLA Installations Management to provide individuals with furniture and equipment needed to address mobility and dexterity concerns, ensuring timely processing, and cutting timeframes in half. Increased awareness of the RA process by serviced employees and first line supervisors and policy changes has increased the amount and quality of the interactive process between employees, management officials and the RA Coordinator. As the facilitator of the process, the RA Coordinator provides individual guidance to the employee and management for the Agency to provide an effective means of accommodation agreed upon by all. While this process is not always easy, the RA Coordinator maintains contact with all involved parties of an RA request until all possible options are exhausted.

D. PERSONAL ASSISTANCE SERVICES ALLOWING EMPLOYEES TO PARTICIPATE IN THE WORKPLACE

Pursuant to 29 CFR §1614.203(d)(5), federal agencies, as an aspect of affirmative action, are required to provide personal assistance services (PAS) to employees who need them because of a targeted disability, unless doing so would impose an undue hardship on the agency.

Describe the effectiveness of the policies, procedures, or practices to implement the PAS requirement. Some examples of an effective program include timely processing requests for PAS, timely providing approved services, conducting training for managers and supervisors, and monitoring PAS requests for trends.

DLA's PAS Policy is included in DLA's Reasonable Accommodations Procedures. DTIC follows DLA's RA procedures as one of DLA's EEO customers. DTIC supervisors and employees are given information about PAS during EEO training and may retrieve further information on PAS via DTIC's public website at <https://discover.dtic.mil/equal-employment-opportunity/> which directs the workforce to DLA's public website at <https://www.dla.mil/EEO/Offers/PersonalAssistanceServices/%20aria-label/%20/>. DTIC did not have any PAS requests during the FY22 reporting period.
