Before Accessing DTIC Submit

Best practices:

- You must be registered with DTIC before you can access DTIC Submit.
 - Register here: <https://discover.dtic.mil/dtic-registration-benefits/>
- Use Google Chrome or Microsoft Edge when using DTIC Submit.
- Delete the browser cache before accessing DTIC Submit. In your browser, use “Tools” > “Delete Cache.”
- If you still have problems accessing DTIC Submit, please contact your IT department.

Tutorial & DTIC Submit Usage Conventions

- In this tutorial, **required fields** are written in a bold red font and optional fields are identified with a **bold blue** font.
- On the DTIC Submit form, a red asterisk * indicates a required field name.
- In DTIC Submit, use the Tab key to move from field to field. This will place your cursor in the correct location for data entry and reduce input errors.
- In DTIC Submit, use the up and down buttons, located at the upper right of each DTIC Submit accordion, to move from section to section in the form.
- Tool Tips provide field definitions and are identified by a  in DTIC Submit. The Tool Tip icon is located within the fields of the DTIC Submit form.
- If you want a larger font in DTIC Submit, use the Zoom function slider of your browser.

Author, Performing, and Funding Organization

The second section of the DTIC Submit process is split into three parts.

- The first part is author and must be identified as an individual or corporate/organization author by selecting the relevant radio button.
 - If the document identifies individual author(s) by name, please select Individual for Author.
- The second part is performing and must provide the performing organization information.
 - This is pre-populated with the organizations selected for the Author.
- The third part is funding and must provide the funding organization information.

Submit

Required: **“Submit”** Click this button to send your document to DTIC.

Nothing is sent to DTIC until you select this button.

Successful Submission to DTIC

- After submitting your report to DTIC, DTIC will identify an accession number (AD) for the submission.
- After the submission is received, you will see the message on your screen:

 Document Submitted

Your accession number is AD1300527.

OK

- DTIC will also send you a separate email with the DTIC accession number.
- Once successfully submitted, click OK and the form will reset to start another submission.

DTIC Submit Summary Notes

- In DTIC Submit, field definitions are provided by tool tips listed within the specific fields.
- You must select the Submit button below the last accordion, “Abstract and Tags” to send your submission to DTIC. Nothing is saved or sent to DTIC until you use the Submit button at the bottom of the form.
- You will receive two messages from DTIC after a successful submission
 - 1. an on-screen “Document Submitted: Your accession number is AD.....” message and
 - 2. a separate email to your email address from DTIC with the DTIC accession number (AD).
- If you receive an error message, please take a screen shot and send it to us. The POC is listed at the end of the tutorial.
