

**Bold** solutions to streamline and improve the defense acquisition process.

## POCKET GUIDE

- The Section 809 Panel is a congressionally mandated panel tasked with streamlining and improving the defense acquisition process.
- We believe bold improvements are needed to create an agile and simple defense acquisition process that provides the warfighter what they need, when they need it.
- Our panel consists of 18 commissioners who are senior marketplace and government leaders with more than 350 years of collective experience.
- We have two years to develop recommendations for change in the regulation and associated statute.

**We are a catalyst that restores agility and simplicity to defense acquisition through bold and effective solutions.**

**BOLD:** Bold solutions to reverse the current course of failed tinkering and incremental approaches to reform.

**SIMPLE:** Cleaning out the regulatory underbrush so goods and services can be purchased in a timely manner without unnecessary burden.

**EFFECTIVE:** Reform for an agile, results-driven acquisition process compelled by our nation's strategic needs.
